“Baptistcare have appreciated Aurum’s willingness to not only provide catering services but also its ability to work and journey together with us through accreditation, quality assurance and OSH in order that we meet all regulatory, legislative and compliant requirements.

Aurum has in its own right Quality Management Services 9001-2000 incorporating HACCP which also demonstrates its commitment to ensuring it meets and maintains high standards of continuous quality improvement”.

“Aurum Catering & Management Services provided catering services for the Rosewood Care Group for over 5 years. During that time they were responsible for all elements of catering for over 80 frail aged individuals. This included providing critical dietary requirements designed to meet individual specifications.

The company managed all aspects of the day to day operations. Additionally, Aurum managed Rosewoods Meals on Wheels Services. At its height Aurum produced and delivered close to 100,000 meals per annum – which equated to 200 meals per day.

The company provided high quality services which incorporated efficient and cost effective standards. We have no hesitation recommending Aurum Catering & Management Services as a reputable and competent company to do business with”.

“Thank you for all Aurum did, all the advice and assistance provided, and for the outstanding quality of the menu and its presentation at the banquet.

The whole occasion was the memorable highlight of a very successful conference. We know that the conference is remembered by the catering – a way to a Rotarians heart at any conference is through the stomach.

The menu complemented the ambience created by the decorations and table setting to provide a wonderful evening”.
